	Urgent	Not Urgent
Important	**Do - (Your MVP)** • Retrieve assignments from Brightspace API • Scrape assignment deadlines using Playwright • Display assignments due today	**Schedule - (For V2.0+)** • Support custom date ranges • Expand to Ed, Pearson, etc. • Export deadlines to a calendar
Not Important	**Delegate - (Use a library)** • Browser automation → Playwright • HTML parsing → BeautifulSoup • Date handling → datetime	**Delete - (Cut it)** • Automatic homework submission • AI-powered assignment prioritization
